

Summer Reading Assignment

Summer is a time for relaxing and having fun with family and friends. We hope that you have some special times planned as well as time to rest and enjoy God's creation. In addition to these very important parts of summer vacation, we want to make sure that you are spending some time exercising your brain through reading!

It is my hope that you will read several books, but make sure that at least one of them is from the list below. Please ensure that you have the correct book and author from the list below. All books should be the unabridged version. If you need help choosing a book, please contact Mrs. Thrappas (sthroppas1@perryhallchristian.org) or me (ccorpuz@perryhallchristian.org) and we can give you some suggestions.

During class within the first two weeks of school, all students will take the AR test on their book and will be completing a project based on their book. Both the AR test and the project will be graded. I would also encourage students to journal as they read their book. These journals may be used when they complete their in-class project. A sample format is posted below.
